Introducing Mr Darren Cameron

My name is Darren Cameron and I am looking forward to taking over from Lydia Jamieson as Teaching Principal at Abergowrie State School in 2014. I wish Lydia success and happiness as she begins her new journey at Mutarnee State School and I hope to continue and build on the success that our school has experienced under her leadership over the last two years.

My wife Jane and I and our three children Ben (6), Kyla (4) and Hamish (6 months) are also excited about living in such a beautiful part of the state and being part of your wonderful community.
