Principal's Report

Welcome back to Term 2.

This week the students have been involved in two ANZAC commemorative events and as a Principal I could not be more proud of my students. I am extremely impressed with the leadership demonstrated by my year 5 students and the responsible behaviour of the rest of the school.

I am very proud to announce the launch of our new school website. It looks great and will be a great communication tool for parents.

I am excited to be chaperoning the year 4 students to a History Performance on Wednesday 1st of May at Ingham State School. The local schools in the district have arranged this performance to align with the current History unit and should be an enjoyable and education experience.

The students have been training for Cross Country and are looking forward to participating on Friday 10th May at George Day Oval.

Student Learning Reflections

It is important for students to set targets or goals and work hard to achieve them. In our class the students record a Reading, Spelling, Numeracy and a Behaviour goal to achieve in a 5 week period. These were sent home with the students homework for parents to share the process. The students are becoming aware that goals require strategies and that our targets should be realistic and measurable.

"Why do we need to set ourselves goals?"

Jack (P)
"So I can learn."

David (P)
"We need to learn."

Denzel (3)
"To feel good when you reach them."

Simione (4)
"To remind me what I need to learn by a certain time."

Tuckshop

The next tuckshop will be on **Tuesday 22nd May**. Fried Rice will be on the menu. Yum!

ANZAC Ceremony

Our ANZAC Ceremony was held on Wednesday 24th April at 9:00am. Mr Green, a representative from the RSL attending as a guest speaker. The ceremony was led by Renee (5) and Damon (5) who need to be congratulated on their outstanding leadership. I would like to thank Mr Green and his wife for generously donating their time, Ms Shafer for working with the students and to the parents who were present. I am sure all could agree that it was a very intimate and respectful ceremony where everyone was able to participate.

ANZAC Day March

Congratulations to all of the students who participated in the ANZAC Day March in Ingham. It was a great turnout with almost 80% of the student population marching. The students behaviour was exemplary and I am very proud that such a large number of students were present to show their respect.

P&C

The next P&C Meeting will be held on Wednesday 15th May at 7:30pm. All parents are encouraged to attend.
