

Investing for Success

**Under this agreement for 2016
Abergowrie State School will receive**

\$5,000*

This funding will be used to

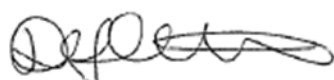

- Increase the percentage of students achieving a 'B' standard or above in English from 60% in Years 3-6 (2015) to 100% in Years 3-6 (2017)

Our initiatives include

- Develop teachers' capacity to embed feedback in the teaching and learning cycle.
- Refine the school pedagogical framework and embed it as the shared language of teaching and learning.
- Develop SMART Goals for all students.
- Develop assessment literate learners who can clearly articulate what they need to know and be able to do to be successful in the assessment task aligned to the Guide to Making Judgements.

Our school will improve student outcomes by

Provide TRS to release teachers to develop materials to use in working with identified students on particular learning goals.	\$800
Provide TRS to enable teachers and teacher-aides to engage in classroom/school visits to observe and engage in professional conversations, focussed on teaching and learning.	\$4200
